

Family games to kick off your **vacation**

Kids against parents? Boys against girls?
Get your whole family in on the fun with games from The Laughing Cow®!

Word chain

A The first team says any word. The teams then quickly take turns building a word chain by saying a different word that relates to the previous one. For example:
Cloud - Sun - Yellow - Mustard - Hot Dog, etc.

B Any team who repeats a word that was already used is eliminated.
